## Introducing new IAMS<sup>™</sup> ProActive Health Multi-Cat with Chicken!

Many households have more than one cat and of these some may be overweight while some are a healthy weight. The IAMS<sup>™</sup> Multi-Cat formula contains L-Carnitine to help the overweight cat lose and maintain a healthy weight as well as lean protein to help all body types maintain lean muscle mass.

## NEW PRODUCT

**MULTI-CAT COMPLETE with Chicken & Salmon**

Available in 3kg, 8kg and 15kg
